

Utah schools have received more than \$600 million. Raise Up to build our children's futures with it.

What do your students and schools **need the most?**

This once-in-a-lifetime funding could make those dreams a reality with:

\$615,929,016

Utah's Award of
ARP ESSER Funds

\$97,470,239

Granite School
District Award

for **60,371 students** = \$585 for each student

To find your district's award amount,

Actions you can take NOW through September 2023:

Connect

✔ Connect with other parents during pick-up or drop-off to learn if your children are having similar experiences in school.

✔ Make a public comment at a school board meeting, to the local paper, or in the community on how these funds can make a difference in your children's lives

✔ Reach out to the district to learn how community organizations can be become partners

✔ Contact your school principal(s) and district leaders/administrators to ask when community feedback will be gathered again.

✔ Request more information about where funding is going and how this is tracked

✔ Reach out to the district to learn how community organizations can be become partners
